SCHOOL OF PUBLIC SERVICE ACCEPTING APPLICATIONS FOR 2014 PROGRAM (DAY AND RESIDENTIAL)

Interesting in giving your rising high school senior son or daughter a taste of life at St. Albans? The St. Albans School of Public Service (SPS) is currently accepting applications for the summer 2014 program (June 22 - July 19). SPS lasts only four weeks each summer, but our students describe it as "life-changing." At SPS 35-40 rising high school seniors from all over the United States undertake an in-depth exploration of government, politics, and public service. Students in this coed program use the case study method to discuss and dissent public policy issues ranging from the debate over climate change, to the role of the media in modern political campaigns, to rising U.S. reliance on drone warfare to combat terrorism. The SPS faculty is comprised of current St. Albans faculty members, including the legendary Ted Eagles, who teaches a mini-seminar on the economics of public policy and leads small group outings to think tank events throughout the program.

Although the program brings together students from around the country and abroad, who live in the dorm at St. Albans, about 25% of the students each summer are from the D.C. metropolitan area and attend as day students. Financial aid is available. SPS uses a rolling admissions process and generally the program is fully subscribed by early April; however, spaces occasionally open up later in the spring so it is worth checking with SPS to see if spaces remain in April and beyond.

More information about the program, including the applications process, is available on the SPS section of the St. Albans website; For more information, interested students or parents may also call 202-537-5286 or email SPS Director Suzanne Woods.

Annual Giving Update

STRIVE for Annual Giving Challenge begins February 17

If 500 alumni make a gift (or fulfill an existing pledge) to Annual Giving between February 17 and March 19, 2014, a member of the Governing Board will contribute $50,000.

Alumni participation in Annual Giving is important to the School's continued success, both financially and symbolically. Every year, gifts of every size from alumni combine to provide critical resources for students and their teachers, while underscoring the dedication and loyalty of Bulldogs of all ages.

With the STRIVE for Annual Giving Challenge close at hand, now is the perfect time, if you haven't already, to consider making your gift to the School. To help the School take advantage of this great opportunity, please visit http://www.stalbansschool.org/challenge, or call 202-537-6409. Thank you!

Bulldog Phonathon Volunteers Needed!

The 2014 Winter Phonathon starts next week and our success hinges on a strong turnout of alumni volunteer callers—like you! Please consider joining us in the Cafritz Refectory on:

- Tuesday, February 18 at 6pm
- Tuesday, February 25 at 6pm
- Wednesday, February 26 at 6pm

Whether you're an experienced caller or a first-time volunteer, we need the support of all alumni in order for Phonathon to succeed. We promise good food and drink, great company and, of course, the satisfaction of helping the School.

Will you lend a hand? Kindly R.S.V.P. and direct your questions to Rebecca Morris in the Annual Giving Office (rmorris@cathedral.org or 202-537-6409). If you're unable to attend, or live beyond the DC area, but would be willing to call from home, please let Rebecca know that too.
