21st Annual Vernon W. Holleman Jr. ’54 Bulldog Golf Tournament

The 21st Annual Vernon W. Holleman Jr. ’54 Bulldog Golf Tournament is a fundraiser for Scholarship Endowment. It gives us a chance to enjoy golfing and socializing while helping the School support its students. The format for the Tournament is Captain's Choice (Scrambles).

All proceeds from the Vernon W. Holleman Bulldog Golf Tournament go to the Vernon W. Holleman Jr. ’54 Scholarship Fund. This endowed scholarship fund was created in 1999 with a gift from the estate of Vernon Holleman. The scholarship provides financial aid to the sons of St. Albans alumni who would not ordinarily be able to afford the cost of tuition.

This year's Tournament will take place on Sunday, October 3, 2010, at Lake Presidential. Click here for more information and a tournament brochure.

Annual Giving Update

St. Albans School

Many thanks to every alumnus who supported the 2009-2010 Annual Giving campaign; your gifts help to ensure that St. Albans continues to be a school of opportunity and excellence. This past year, in spite of a challenging economy, we successfully raised over $2 million and had over 38 percent alumni participation; terrific work!
The Development Office is pleased to introduce Dave Steadman, our new Director of Annual Giving, who started working at STA in August. Dave comes to St. Albans after spending five years in the Hamilton College Communications & Development Office, working in both Alumni Relations and Annual Giving. During his time at Hamilton he instituted a number of successful initiatives to more actively engage alumni and parents of the college and for the past two years served as Vice-Chair of the STAFF organization (Sharing The Annual Fund Fundamentals), a representative group of 40 small, selective liberal arts colleges. Dave holds a B.A. from Hamilton College in Music.

The 2010-11 Annual Giving Campaign is underway!

Thank you for your continued generosity.

The First One Hundred Years
STA's New History Book Has Arrived - Get Your Copy Today!

Written by St. Albans alumni, faculty, parents, and staff, St. Albans School: The First Hundred Years recounts the story of our beloved school, from the initial gift that founded the National Cathedral School for Boys in 1909 to the completion of Marriott Hall. The book relates how the school came to be; how the curriculum, student body, faculty, and student life have—and haven’t—changed in one hundred years. And it traces some of today’s favorite activities—Blue-White Field Day, Chapel, football, class windows—back to the earliest days of the school.
