**Annual Giving Update**

Thank you to the 424 alumni who participated in last month’s Bulldog Challenge! Through your generous support, STA earned each and every dollar from the Governing Board’s challenge fund and set a record for alumni support of Annual Giving in March! Final results are available online at www.stalbansschool.org/challenge.

For those alumni who have yet to participate, please consider joining nearly 1,500 other alumni who gave this year. Find some philanthropic inspiration from your fellow alumni Bulldogs via video here. While you have until June 30, 2011, to support Annual Giving, why delay? Make your gift today!

**Reunion Giving**

Congratulations to all alumni who will celebrate a reunion this spring (those years ending in 1s and 6s), please consider making a special gift in honor of this milestone year and in support of your class’ effort to increase participation.

STA School of Public Service

Give your rising high school senior a taste of the St. Albans experience! Do you have a son or daughter with an interest in government, policy, or public service who is entering their senior year in high school? Consider sending them to the St. Albans School of Public Service (SPS) this upcoming summer. For one month (June 26 – July 23, 2011), thirty-five of the best high school students in the nation will gather at St. Albans to focus on public service through case studies, seminars, simulations and conversations with public officials ranging from sitting Justices of the United States Supreme Court to State Department foreign service officers. Check out the 2010 in-session blog at www.schoolofpublicservice.blogspot.com for an in-depth look at the incredible range of activities at SPS. SPS is accepting applications now—the online application is available through the “School of Public Service” tab at the top of the main STA website, www.stalbansschool.org.
